

Instructor Information

Information for the class

Name: Dr. Matthew Krauel

Office location: Brighton 136, but virtually for now!

Office Hours: ???, and by appointment. Seriously, let me know you want to meet up and we can find a time.

Phone number: (916) 278-6222

E-mail: krauel@csus.edu

A bit more about me

My research interests include algebra, number theory, and physics. More specifically, I study vertex operator algebras, representation theory, automorphic forms, and some other things!

Outside of teaching and math, I love the outdoors. Backpacking, climbing, and the such.

If you are interested in hearing a bit more about me, please watch the following video.
